## Notes from Mrs. Becker

With the winter season winding down, it is time to start thinking about warmer weather and sunshine filled days. This is the time of year when the Bulldog Dash Committee starts planning for its annual event. This year's 8th Annual Bulldog Dash will be held on Saturday, May 19, at Schoendienst Park. Registration forms are available on the school district website under the Bulldog Dash heading at the top of the page. They will also be sent home with the students in the weeks to come. Once again this year, we are encouraging all students to register early. Every student that registers by the early registration date of May 5 will be given the opportunity to dunk their teacher three times in the dunk tank on Dunk Tank Day. Last year's Dunk Tank Day was a huge success. The students and teachers alike enjoyed themselves. The 2011 Bulldog Dash was a record breaking year with 524 participants crossing the finish line. Over \$17,000 was raised to benefit Germantown Elementary School. In its seven year history, the event has provided the district over \$100,000. The money raised through the Bulldog Dash is used to fund Reading Lab, Homework Help, Summer School, and technology upgrades. Let's make 2012 another record breaking year. Mark your calendar for May 19 and join us for the 8th Annual Bulldog Dash!

MARCH 4, 2012, Baseball/Softball Registration, School Cafeteria, 8:00am- 11:00am for children currently in Grades 1-8. Registration will ONLY be held on March 6th. If you are unable to attend on the scheduled date, call or text Denise Diesen at 407-4289 PRIOR to this date. Please make sure your CHILD is present for registration. NOTE: There will be a late fee(\$50 per family) for anyone who registers after March 4th.

## **BIRTH TO FIVE SCREENING CLINIC**

**A free screening clinic for children birth to 5 years of age is being offered at the Germantown School District and early intervention providers on March 14th from 1:00-7:00pm. The clinic includes checks of infant/toddler language development, motor coordination and social skills. Preschool-aged children are also screened for pre-academic skills, vision and hearing. The screenings take approximately 30 minutes, and parents are provided with immediate feedback about their children's performance, as well as information about services for which their children may qualify. Early intervention, speech/language therapy, Pre-kindergarten, Head Start, and Early Childhood special education programs are all available free of charge to eligible children. Participation in the spring screening clinics is an excellent means to enroll children in school district preschool classes and Head Start for next fall when there may be waiting lists for these programs. CALL THE SCHOOL AT 618-523-4253 TO SET UP AN APPOINTMENT.**
