

Junior High Jazz

3rd Edition Sept. 3rd

The First Labor Day

The first Labor Day holiday was celebrated on Tuesday, September 5, 1882, in New York City, in accordance with the plans of the Central Labor Union. The Central Labor Union held its second Labor Day holiday just a year later, on September 5, 1883. “Labor does the body good!” (so does stretching!)

Miss Dye's "Language Lingo"

7 Literature: We will continue our short story unit by completing activities that revolve around “The Tell-Tale Heart.” Read 7 pages a night for AR!!!

6A Literature: Our “hero” unit will continue next week as we read “Hurricane Heroes” as well as discuss cause/effect. Be ready to write an extended response! Read 6 pages a night for AR!!!

7 Language: There will be a transitive/intransitive verb quiz on Wednesday followed by a short review of sentence pattern number three. Spelling test three and DOL quiz will be on Friday.

6 Language: Our noun unit comes to an end! We will review on Tuesday and take the test on Wednesday. Spelling test three and DOL quiz will be on Friday.

Have a safe and enjoyable Labor Day!!

The Band Played On– Mrs. Henrichs

Concert Band is in full swing. We are working on not “playing on” during rehearsals. We are also practicing various songs that we will use for pep rallies throughout the school year. All Band students have their Concert Band Folder with a lot of new music. You should be hearing some practicing at home. Our first Band Parent Meeting is scheduled for Wednesday, September 15th. This will be one of 3 meetings throughout the school year, so please plan to attend if at all possible. If you can not make the meeting feel free to send me an e-mail & I will send the meeting minutes home with your child so you can volunteer where ever needed. The Jazz Band Personnel will be posted by 11:30 on Friday. We will have our 1st official rehearsal next Thursday, Sept, 7th.

The Sept. Bulldog Band went home Wednesday, Sept. 1st it is also on the web page.

OUR 1ST PARADE IS SUNDAY, SEPTEMBER 19 IN OKAWVILLE!

Odds-n-Ends

*Math Rtl testing Wed. & Thurs.

*Labor Day– No School on Monday

*Homework is posted nightly on the school’s webpage for 6,7, & 8th grades

*Mid-terms for first quarter is Sept. 17th

Shapin' Up With Shubert

Next week we will continue with soccer and Frisbee games. Hopefully the weather will cooperate and we can go outside most of the week. 8th grade will starting their health unit, which will continue for 2 weeks. The unit we will begin with is Chapter 8, The Immune System. Hopefully we have gotten the kinks out the grading system. If you have a concern about your child's grade, please contact me. Also, please be aware that PE grades and Health grades will appear as one on the report this year.

Enjoy the long weekend!

Mr. Gabler's History Class

6th Social Studies: We will begin working on Chapter 3 about Ancient Egypt and Nubia. By the end of the week you can ask your student about the Nile River and making Mummies.

7th Social Studies: We have begun Chapter 3 on the Early Explorers. They will learn why European came to America and who discovered America. Columbus?

8th Grade Social Studies: We have begun Chapter 20 on the Industrialization of America. The students will learn about the new inventions that came about during the late 19th and early 20th century.

Mrs. Varel's Variety

8 Literature: *Out of the Dust* by Karen Hesse- Students will be writing free verse poems; they are due Friday. The next quiz, covering p. 96-149, will be on Thursday. Remember to keep up with the journal work! Read 8 pages every night for AR!

8 LA: Spelling Unit 3; book and test on Friday, and definitions due Wednesday. Week 3 DOL quiz on Friday. We will also review letter-writing and create synonym mobiles.

6B Literature: We will read "Hurricane Heroes," a nonfiction story. We will also practice writing an extended response and discuss 9/11. Read 6 pages every night for AR!

8 Current Events: We will go to the library on Thursday. We will also discuss 9/11.

Have a safe and enjoyable Labor Day weekend!

Math 7M

Math 7PA

This Week:

Order of Operations
 Variables and Expressions
 Solving Equations
 Area of Rectangles

Next Week:

Chapter 1 Test
 Frequency Tables
 Bar and Line Graphs

This Week:

Mid-Chapter Quiz
 Properties
 Sequence
 Metric Steps

Next Week:

Scientific Notation
 Chapter 1 Test
 Frequency Tables

This Week:

Mid-Chapter Quiz
 Multiplying/Dividing Integers
 Expressions/Equations
 Add/Subt Equations

Next Week:

Multiplication/Division Equations
 Chapter 1 Test
 Fractions to Decimals
 Decimals to Fractions

Algebra

Math 8M

Geometry

This Week:

Distributive Property
 Rules for Multiplication
 Consecutive Integers
 Chapter 2 Quiz

Next Week:

Reciprocal of Real Numbers
 Dividing Real Numbers
 Chapter 2 Test

This Week:

Multiplying/Dividing Integers
 Expressions/Equations
 Add/Subt Equations
 Mult/Div Equations

Next Week:

Chapter 1 Test
 Fraction to Decimals
 Decimals to Fractions
 Comparing/Ordering Rational Numbers

This Week:

Postulates/Theorems w/pts., lines & planes
 Chapter 1 Quiz/Test

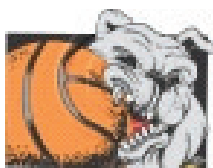

Next Week:

If-Then Statements; Converse
 Properties from Algebra
 Proving Theorems
 Chapter 2 Quiz

****Math Notes from each class are posted on the web page after the class is completed. If you need the notes or want to see what was taught that day, you can find the notes on my webpage; however, the notes will be overridden the following day with the new notes.**

****Check your child's grades. Make sure all grades are posted. If not, there may be a problem on my end.**

****We enjoyed the presence of all the Grandparents today!!**
