All Concert Band students should be working on the 4 pep band pieces that are in their band folder. I've noticed that some do not have Hawaii Five O memorized yet. Please, encourage good practice time at home. 5th grade students will need to be patient & practice slowly. This will allow them to keep up with the fast pace of "Concert Band". The **Okawville parade note** went home on Wednesday. The permission slip is due by next Wednesday, Sept. 11th.

The 2019/2020 Jazz Band has been posted. Let's get working for an awesome year!
