

First Grade News

March 5, 2010

Our field trip to the St. Louis Zoo is Tuesday, May 11th.

What happened this week: The first grade learned about needs and wants. Each child selected things out of a bag and decided if the item was a need or a want. We also made a poster of needs and wants. The children made flash cards of the hard addition facts. We will be reviewing them at school. Show and tell was fun. The kids really like talking on my microphone. Thank you for sending glue. Please send some next week if you forgot. Thanks

Looking ahead to next week:

Story: You Can't Smell a Flower with Your Ear!

Spelling: short and long o words

Math: adding three numbers and reviewing math concepts

Social Studies: Buildings, mapping

Science: Our senses
