

# Ms. Snyder's First Grade Newsletter

## March 8th, 2010

I have updated the website with picture galleries! Don't forget to check out our class website for information, homework assignments, and pictures! You can access it through [www.germantownbulldogs.org](http://www.germantownbulldogs.org).

Please remember that milk/juice money is \$1.25/week.

3/26: End of 3rd Quarter

3/31: Report cards sent home— dismiss at 1:40 for Spring break

We will use the addition strategies that we have learned to help us with our subtraction facts. We will practice adding three numbers. We will continue to work on money!

Please remember that Butterbraid sales are due back to school on March 9th. The class with the most orders will win a doughnut/juice party! Each person who sells 10 items or more will be entered into a drawing to win prizes! If you need another butterbraid order form, please contact me.

Thanks to the PTA, we will be having a pizza party in April. Students are eligible to attend the party if they complete the March Book-It and the book report form that was sent home.

Your child should have brought home a "tooth brushing" chart this month. Please mark each date that your child remembers to brush his or her teeth at least twice a day. The students will receive a certificate for completing this calendar.

Please remember that the date for the field trip to the Zoo has been changed to May 11th.

We will be reading "You Can't Smell a Flower with Your Ear" from our yellow reading books this week. Please review the spelling and vocabulary words with your child for this week. We will be discussing the long o sound and about the parts of a book.

We will be taking a field trip to Kaskaskia College on March 25th. We will be watching the Muntu Dance Theatre of Chicago. Please return the permission slip and \$2.00 as soon as possible!

**Reader of the Week: Erica Schomaker**  
Please remember to bring in a book that is an appropriate level and length!

*Kids are the living messages we send to a time we will not see.*
