

Hello! My name is Kaci Snyder. I am so excited to be teaching at Germantown Elementary and I am looking forward to a great year! I currently live in Hoffman with my new puppy, Brody. He is quite a handful, but so much fun! I graduated from Carlyle High School in 2005, and I am thrilled to return home to Clinton County! I graduated Summa Cum Laude from Southern Illinois University-Edwardsville in the Spring of 2009 with a degree in Elementary Education. My student teaching experience was in a first grade classroom and I am very excited to be back in first grade! I am confident that we will have a wonderful year!

My family is very important to me and I enjoy spending time with them. I love to cheer on the St. Louis Cardinals and to read in my spare time. I love being a teacher and my goal is to create a safe and comfortable learning environment in which your child can reach his or her ultimate potential. I am constantly looking for new and innovative approaches to learning and I want to give your child a learning experience that they will always remember. With your support, your child will grow into a responsible and dedicated lifelong learner! Please always feel free to contact me about anything! My door is always open!
