

Kindergarten News

May 20, 2010

I've had a great time working with all of your children this year! They've learned so much! I hope you enjoy looking through the journals that were sent home yesterday. It's fun to see how their writing has progressed throughout the year.

The kids are also bringing home 2 projects for summer. One is a summer activity in which they can choose one or two strips each day and complete the activity listed on them. It is just a fun way to keep their minds active while doing review material. The kids were really excited to make these and should enjoy the simple activities this summer. I also sent home a summer writing project which includes all the addresses of their classmates along with stationary and envelopes. The idea is to help them keep practicing their writing skills while sending and receiving mail. They all love to get mail! I hope you have fun with these projects!

Tomorrow: Field Day will be held tomorrow. Keep your fingers crossed for a dry day! We will dismiss at **1:40**.

Monday: Report cards will be distributed and we will dismiss at **8:45**.

Have an enjoyable and safe summer! See you back here in August!
