

# Parent Meeting

August 25th, 2011

- **My Web Page** includes most of the important information about the basketball season.
- Please remember to sign the alternative transportation sheet if your daughter does not return to Germantown on the bus.
- Players are expected to wear warm-up outfits to all away games.
- If possible, avoid sitting right behind players bench. It is distracting for your daughter and our coaching staff (Jeff Lampe and myself) when we hear comments, yelling, etc. behind our bench. Also, please avoid contacting your daughter during a game, during timeouts, or at halftime. We understand the enthusiasm; however, we will be trying to keep them focused on the game.
- Uniform distribution will be Oct. 3rd after school. I may need help with this. I will wash the uniforms at school.
- Pre-Season Evaluation Wednesday, October 12th after school. More details later.
- At the Varsity Level, we will play to win. This could create a situation where your daughter may not play in a game. Please understand that I need to make difficult decisions. Make sure you do not take my decisions personal(ly).
- I have noticed a nice work ethic with most of the girls this summer. We (Jeff and I) will try to motivate your daughter through encouragement (cheering) and/or discouragement (yelling). We will try to find what works best for this team. Luckily, we have about 5 months to figure it out.
- You can, may, and probably will question my overall ability to coach; however, do NOT question my intentions of trying to improve your daughter's skills. We will be passionate but fair. Please keep that in mind.
- If you do question my ability, try to do it without your daughter present. It undermines what we're trying to do and makes it harder to get the respect we expect.
- It will be a pleasure working with your child this year!!
- Enjoy a Great Year!!
- Questions? Comments?

Mr. Albers & Mr. Lampe
