Reading Story: we will read kids' magazines

Math: math games

Language: finishing touches on hard back books- I will send these home on the last day.

Spelling: final spelling grade is tomorrow!

Social Studies: The village did an excellent job giving the students a mock meeting and a tour of their facilities. We write thank-you notes to them.

Don't forget:

- Tomorrow is pizza at the park. Please send a drink along. I can keep it in the fridge to chill it. I am excited about how hard the kids worked to reach their goals. I have also sent home some summer reading options. Remember that the school library is open one morning a week for the kids to come and take AR tests. Hopefully, it will work with your schedule to get that in.
- Thanks to everyone that signed up for the Bulldog Dash! I did take the plunge today, but it was a lot of fun. Looking forward to a nice walk with my 2nd graders on Saturday.
- Thanks to everyone that put in extra time on the "How to" speeches. Thanks to your kids I now know how to: make Mickey Mouse pancakes, put on a roof, fish, bake a cake, do gymnastics, do a karate move, shoot a bow and arrow, make pretzel kisses, make paper airplanes, and take care of a puppy. Being a good public speaker is a great skill to develop!
- Field trip reminder- Be here next Tuesday at 8:30. Remember to pack a lunch. We will be back by 2:45.
- Clean up day is next Wednesday. Please send a small bucket and rag. I will provide the soap.

*AR Final Update:

Logan-83.0/Ethan-78.8/Chloe- 71.4/Jessie 69.8/Macie: 66.7

Goal Achievers: All the students made it!!! Party at the Park!
