Lots of happenings in Pre-K this week. We finally completed our Model Magic sculptures. The kids painted their creations, and we now have them on view in our "art gallery". We played a 'Special Delivery' game in which we delivered 'mail' and practiced counting, one-to-one correspondence and gross motor skills. Ms. Angie played a bean bag game with the children to review numbers to 20. We did some graphing exercises on the smart board, and it was decided that of all the holidays Christmas and Halloween were tied for favorite in the morning class. The PM class will graph their favorites on Friday. We also added a new feature to the classroom Thursday—a water table! Yes, I'm feeling a bit brave! The first day went very well; the kids absolutely loved it! We also practiced the nursery rhyme Jack and Jill and discussed words that begin with Jj. Mrs. Wuebbles will be in tomorrow for a lesson on Jack and Jill.

Valentine's Day Party for the morning class will be Tuesday. The afternoon class will celebrate on Monday. If exchanging valentines, remember to send them in on the party day or before.

Family Fun Night New pictures have been added to our classroom website from our Valentine Extravaganza. Be sure to check them out!!

Dates to Remember

- Feb. 15** Kindergarten Registration
- Feb. 17** No School—Teacher's Institute
- Feb. 20** No School— President's Day
- Feb 21** PM Class Make Up Day
- March 14** Preschool Screenings

Happy Birthday to Chase in the afternoon class. He turns 4 on Saturday!
