#DREAM

BIG

JANUARY 25-29, 2021

The Weekly Crumbs What's Cracking with Mrs. Graham

5th Grade Math: Students will be learning how to divide decimals (standard 5.NBT.7). There is a possible assessment this week over standard 5.NBT.7.

6th Grade Math: There is a quiz on Monday over standard 6.EE.2. Students will then be learning how to generate equivalent expressions (standard 6.EE.3).

7th Grade Math: Students will be learning how to construct geometric shapes given certain conditions (standard 7.G.2). There is a possible classwork grade this week.

Study Island: Make sure to keep track of due dates.

The "Weekley" Bark from the former Ms. Clark

8th grade math: Students will continue comparing functions (8.F.2) and writing linear equations from different sets of information. (8.F.4) There will be a possible assessment on these standards this week.

8th Study Island: Make sure to keep track of due dates!

Algebra: Students will continue working with rational exponents, exponential functions, and exponential growth and decay. There is a possible assessment this week on these topics. (N-RN.2)

The students are asked to wear their House t-shirt to school on Monday!

Eversgerd's "Werds"

5th ELA: We will warm up with DOL week 8 with a quiz on Friday. As for lit, we will continue reading our novel. We will cover pages 16-54 this week with a quiz over pages 3-37 on Wednesday. During LA we will review sentence structure on Monday and take the assessment on Tuesday. Then we will dive into paragraph writing.

6th ELA: We will warm up with reading warm ups this week. Please remember your tracking sheet everyday. We will continue working on our novel groups this week. Please remember your novel everyday.

Conner's Column

7th ELA- We will continue working on paragraph writing, focusing on standards W.2 & L.2. We are reading nonfiction text, focusing on standard RI.3, 4, and 5. We will also continue working on Noredink units. Students must have their novel project fiction and nonfiction book for third quarter by Tuesday.

8th ELA- We will continue working on essay writing, focusing on standards W.2 & L.2. We are working on Nonfiction text, focusing on standard RI.3, 4, and 5. We will also continue working on Noredink units. Students must have their novel project fiction and nonfiction book for third quarter by Tuesday.

Way Back When With Mr. Glynn

5th- Next week we will start our unit on Westward Expansion. We will be taking a look at the Louisiana Purchase and the reason settlers moved west.

6th- Next week we will be comparing the different dynasties of Ancient China and learning about some of the famous philosophers.

7th- Next week we will continue to look at the IL Constitution. We will be focusing on the legislative branch.

8th- Next week we will be continuing our unit on the Civil War. Students will be working on their museum exhibits.

The Rock Cycle – It's all Relative with

5th- Next week we will complete the topic of Photosynthesis as well as wrap up ecosystems.

7th- Next week we will continue to work in our Unit. We will learn how much genetics plays a part in human blood type and the colors of chicken feathers

8th- Next week we will begin talking about our Community Projects as well as digging back into p science. (We had to back up in Chemistry a bit th

The Band Played On

It was an awesome, but very busy week back in the Music Department. The Concert Band is working to perform 4 different pieces this semester. The Jazz Band is ready to record one piece on Monday and hopefully another soon after that. I will be posting a very meaningful performance by the Chorus very soon. Keep an eye out for these performances on Germantown's FaceBook page.

Band lessons will go back to normal beginning next week with some minor changes if I have to reset the gym daily for the play. Students should have a lot of music to practice. I will see that their instruments get home if you can remind them to practice. Jazz Band will be Monday and Thursday while Concert Band will be on Tuesday, Wednesday, and Friday next week.

Thank you to our wonderful Band Parents for your continued support.

**Please encourage good quality practice for your child.
Proud to be a BULLDOG BAND MEMBER!!**

SHAPIN' UP WITH SHUBERT

Hello students,

By now you know that I will be gone the month of January. My energy level is not where it needs to be to teach PE, and the treatments that I have do not make me feel good for about a week. Hopefully, when I start a new treatment in February, I will be able to return to see all of you. For now, Mrs. Venhaus will be teaching some PE lessons as well as Health. I hope that you are all healthy and making good choices in the new year. If you have questions, please email or contact Mrs. Venhaus: mvenhaus@ges60.org
