The Band Played On

Congratulations on an awesome Spring Concert. We watched the video & the sound was not at all the quality of the actual live concert. Hopefully we will be back to normal next year.

The Summer Band Schedule has finally been finalized. Please get the Google Form returned as soon as possible if you haven't already done so. I want to make sure we will have enough attendance at the Fair Parade. The summer band rehearsal dates are not mandatory if your child has a camp or a vacation scheduled.

We had our End of Year Band Party on Thursday. A big thank you to all the parents that donated items for the party. We had enough soda & prizes that I did not have to purchase anything extra. Thanks also to Abi & Bryn's Grandpa Howard for the Ice cream treat after our games.

Next week we will have full band on Monday & Wednesday. All 4th through 7th grade students will need their instrument on Monday & Wednesday.

Have a wonderful Weekend!!!!!!
